MESSAGE FROM THE GOURNDS CREW:

We are endeavoring to improve the condition of our Tee boxes.

You will notice that we will be moving the Tee markers and closing Tee boxes that need renovating.

The plan is to close the Tee box, then spike, seed, and sand.

Thanks for your patience and looking forward to better Tee's this spring.

Your grounds crew.

Wishing you and yours a very Merry Christmas

Happiest of New Year

Some Seriously Heavy Lifting At The Course Big Thank You to Gary Brown

We took out approximately 28 dead or dying trees at the course. We had one cleanup party with about 10 to 12 regular committed volunteers. Our crew worked hard on cleanup and hauling off wood pieces

Gary Brown has ground down approximately 42 stumps and the crew has been busy hauling off the spoils, covering the holes and some burning stumps in place. The next project weather permitting and with the Ladies Association help is to build dedicated raised Purple Tee boxes at holes #1, 3, 8, and 9.

The Ladies Association has purchased 9 yards of 50/50 dirt from Dirt Huggers and Ken Schanno has volunteered to haul it to the course.

The Kelly's, Jason and myself have located where the Tee's are to be located. We plan on renting a sod cutter to cut the sod and will leave it in place till ready to work that Tee box.

The plan is to remove the sod, add dirt to raise, and level the box. A compactor will be rented to compact the soil and then replace the sod. The box will have a slight upward slope and the sides will be beveled to allow mower access. The hope is to have these boxes ready for spring. This project should not cost the course any moneys because the Woman's assoc. and donations will cover it. Bill F

The Ladies Association approved improving the forward tees this past summer with the proceeds derived from the "Rich Hess" tournament. It will be great to be able to use a tee box that is level and also have it in the same location all of the time.

It's been a good year for our association as we were also able to purchase the new directional signs on the course. We have plans for other projects and hope to be able to continue making everyone's experience at the country club a good one. Thanks to everyone for helping us accomplish our goals. Janet Tschanz
