

The Dalles Country Club

Membership Categories

03/01/2023

General Membership - \$199.50 per month, plus a \$15.00 monthly Irrigation Fee. A Clubhouse food expenditure minimum of \$125.00 per quarter is currently suspended but could be reinstated at any time by the Board of Directors.

A General Membership includes an individual or all members of an immediate household; who consist of the husband, wife, and children through 18 years of age. The individual or immediate household gets full use of all club facilities and amenities. Voting rights are as described in the Club's by-laws.

Introductory Membership - \$157.50 per month, plus a \$15.00 monthly irrigation fee. A Clubhouse food expenditure minimum of \$125.00 per quarter is currently suspended but could be reinstated at any time by the Board of Directors.

An Introductory Membership requires a one-year commitment for an individual or for an immediate household; which consist of the husband, wife, and children through 18 years of age. The individual or immediate household gets full use of all club facilities and amenities. There are no voting rights with an Introductory Membership. Any previous member, who wants to reapply for membership, is not eligible to reapply under the Introductory category unless five years has passed since the previous membership expired.

Business/Corporate Membership - \$369.50 per month, plus a \$15.00 monthly irrigation fee. A Clubhouse food expenditure minimum of \$125.00 per quarter is currently suspended but could be reinstated at any time by the Board of Directors. A Business/Corporate Membership includes two (2) Designated individual or immediate household memberships annually with one member being the Principal member.

The Designated member(s) may change on an annual basis. An immediate household includes the husband, wife, and children through 18 years of age. The individual or immediate household members get full use of all club facilities and amenities. Employees of the Business/Corporate membership may make one tee time per day, AM or PM, for up to four people and will be charged discounted greens fees and cart rental fees. Employees may use a designees' membership for payment of these fees with the designees' written permission. The Principal member only has voting rights as described in the Club by-laws. Recognition of the business/corporation in Club materials, cart rental, etc. is not included but available.

Advertising Membership - \$220.50 per month.

An Advertising Membership includes one designated individual annually. The designated member may change on an annual basis. Advertising for this category can be displayed in the Pro Shop or on the golf course and in the monthly newsletter. Advertising members may play golf as any member of the public is allowed. There are no voting rights with an Advertising Membership.

Non-resident General Membership - \$105.00 per month, plus a \$15.00 monthly irrigation fee. A Clubhouse food expenditure minimum of \$125.00 per quarter is currently suspended but could be reinstated at any time by the Board of Directors.

A Non-resident General Membership requires an individual or all members of an immediate household, which includes the husband, wife and children through the age of 18, to reside more than 60 miles from the Club. The individual or immediate household gets full use of all club facilities and amenities. Voting rights are as described in the Club's by-laws.

Social Membership - \$38.50 per month.

A Social Membership includes one individual member. The member may attend all social functions and gets full use of the swimming pool

and locker rooms. A Social Member may play golf as any member of the public is allowed. There are no voting rights with a Social Membership.
