

## Message From Board President, Dan Durow

Important Note: Board positions #3 and #4 are up for election. Anyone interested in running for one of these Board positions should contact Ross Bailey, Chair of the Nominating Committee. His number is: 541-993-2806.

The regular February meeting (Feb.21st) of the Board has been canceled due to a projected lack of a quorum.

The additional water source project is moving ahead again. If all goes well, we should have this water in place by the end of May. The County will pay for this new waterline up to the pond in front of the 9th green. The estimated cost now is about \$400,000. Water to the Clubhouse from this source and location by the pond will need to be added and paid for by the Club. This can be done cheaper than what it would cost the County since we would not have to pay prevailing wages and could do much of it by volunteer labor.

TDCC Board has decided to make the second Monday of each month the volunteer work party day. Work parties would be organized to work on specific areas of the golf course in the mornings and ending the work by noon. This would make for a three to four hour volunteer effort once a month. More work parties could be organized if needed. Please mark your calendars for this monthly effort. One project mentioned was the raking of the third fairway. Bill Ferderer will coordinate these second Mondays with the grounds crew. We will get the word out to the membership via email once a work project is determined.
