

2024 *Braves & Princesses* *Journament*

TDCC HORSERACE – 2024

Horserace will be played starting on hole #1 at 5:30

Men from the white tees / **LADIES FROM THE PURPLE TEES**

FORMAT: SCOTCH, ALTERNATE SHOT

- Write your team number, with a sharpie, on the ball you will be using
- Men drive on the odd holes, women drive on the even holes
- Players will alternate shots on one ball until the ball is holed out
- The shortest drive to longest drive will determine the order of play
- All balls must be on the putting surface before putting commences
- Putting order is determined by the ball **closest** to the hole putting first, farthest putts last; teams must continue putting until the ball is holed out (continuous putting)
- At the conclusion of a hole, there will be a set number of teams eliminated (based on total number of teams) until two teams remain for the fourth and final hole
- If there is a tie, there will be a **“Blind Chip-Off”**, it’s up to the individual teams to determine who will be the “chipper”
 - ⇒ All players involved in the chip off must keep their backs to the hole
 - ⇒ Partners may not talk to each other during a chip off
 - ⇒ Chip off does **not** count as a shot for order of play
- There will be a one time buy back option for all teams eliminated on the first hole for \$20.00.

If you have any questions, please be sure to ask prior to teeing off.
