Message From Board President, Chad Leeson

A Season of Growth and Gratitude

As we make our way through the golf season, I want to take a moment to reflect on the positive momentum we're experiencing at the club. From increasing membership engagement to the energy around our events and course improvements, it's clear that we're heading in an exciting direction. Your enthusiasm and involvement are the driving force behind that success.

I also want to share a personal note. These first few months as Club President have been a true learning experience. Each day brings something new—whether it's a fresh perspective on operations, an insight into our club's unique culture, or a better understanding of what makes this community so special. I'm grateful for the opportunity to grow in this role, and I appreciate your patience and encouragement along the way.

One of the most rewarding parts of this journey has been the conversations I've had with so many of you. Your support, suggestions, and ideas are always welcome and valued. Whether it's a comment on course conditions, a proposal for a new event, or a shared story from a recent round, these discussions help shape the path forward for all of us.

Thank you for being a part of this continued growth—both for the club and for me personally. I'm looking forward to what's ahead, and I'm proud to be working alongside such a passionate and engaged group of members.

See you on the course!

THANK YOU LADIES!

Have you noticed the new flowers and hanging baskets around the Pro Shop and Putting Green?

A group of dedicated members of the Women's Organization planted and weeded the flower beds around the putting green. The Dalles CC Women's Organization funded the project.

Did you know? members can play reciprocal golf courses?

They generally have favorable rates for the golf.

Happy Memorial Day Weekend:

The pool is now open!

Thank you to the latest Dophin pool cleaner donators:

- Scott Thompson
- Julie Nygaard

The help with the pool cleaner is appreciated. I hope it frees up the ground crew to spend less time on pool maintenance and more time on the course.

Membership Cards:

We ran out of membership cards for new members earlier this year. We are in the process of ordering more. We will send out a notice to pick one up from the Pro Shop after they arrive.

Thank you for your patience.

Website update:

Thank you to Joey Lick for shooting hole-by-hole drone flyover footage of the course. I am working with our website developers to add a gallery of photos and video footage. We will also share footage on social media as it's available.

Member Guest Tournament:

I had a blast during the Member Guest Tournament this weekend. It was my first time in this event. It was nice seeing the guests enjoying the club and improved course conditions compared to several past years.

If any of your guest have interest or questions regarding a membership, please have them touch base with me for details.

Thank you,
